

Informed Consent Form

User interface testing for DECO3500/7350 prototype

This user testing exercise is for educational and informative purposes only.

You will be asked to interact with a computer program or system, and/or to answer questions about Your interaction. We are testing the program or system; we are not testing you in any way.

Consent is voluntary – you do not have to participate if you don't want to. If you do participate, you may Withdraw your consent at any point, and all your data up to that point will be destroyed and not used. All data collected is confidential and will be kept in a secure location, and your data will be indexed by a Participant ID rather than by name. All your data, including any recordings, will be erased/destroyed once analysing is complete. There is no reimbursement or payment for participation.

I have read the information above and give my consent to participate.
